Vol. 168

WASHINGTON, THURSDAY, JULY 7, 2022

No. 112

House of Representatives

The House met at noon and was called to order by the Speaker pro tempore (Mr. MFUME).

DESIGNATION OF THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore laid before the House the following communication from the Speaker:

WASHINGTON, DC,
July 7, 2022.

I hereby appoint the Honorable KWEISI MFUME to act as Speaker pro tempore on this day.

NANCY PELOSI,
Speaker of the House of Representatives.

PRAYER

Dr. Lee Corder, Arlington, Virginia, offered the following prayer:

Lord, as we gather today, we pray for our Nation, for unity and peace. May we reflect on some of the painful lessons learned in times of suffering and strife.

Lord, convict us when we divide ourselves into tribes rather than seek to live as a united people and are surprised by our lack of unity.

Lord, correct our arrogance and teach us humility when we are tempted to assume that those with whom we disagree have nothing to offer us.

Gracious Father, forgive us when we tolerate or contribute to the language of destruction and hate and are shocked by acts of violence.

Instead, imprint upon all who serve here the transforming truth that "we love because He first loved us . . . therefore, since God so loved us, we also are to love one another." For You tell us that apart from love, kindness, and mutual respect, we will accomplish little of lasting impact.

In the name of the Lord we pray.
Amen.

EXTENSIONS OF REMARKS

HONORING BOB PESTONI

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor my friend, Bob Pestoni, a third generation Napa Valley native son.

Born in 1937, Mr. Pestoni was raised by his parents, Henry and Lena Pestoni, on the Pestoni family ranch in St. Helena. He was from two pioneering winemaking families, the Pestoni family, originally from Monte Carasso, Switzerland, and the Domingos family from St. George Island in the Azores.

From a young age, Mr. Pestoni had a great love for sports. He participated in Carpy Gang Football as well as played football and ran track at St. Helena High School and Napa Valley College. When he served our country in the Army, he also joined the Army football and wrestling teams.

Mr. Pestoni was an innovative leader in the waste and recycling industry. In 1963, he and his brother Marvin created Upper Valley Disposal Service, becoming the refuse hauler for the upper Napa Valley. Over time, it grew into a fully integrated company specializing in recycling, composting, waste collection and disposal, and renewable energy production. His work creating a system for processing wine grape pomace into certified organic compost won him recognition from National Geographic, Organic Materials Research Institute, and the state of California. Mr. Pestoni also received the prestigious John P. Moscone Award his for long-term exemplary commitment, dedication, and service to the waste industry.

In admiration for his family business and heritage, Mr. Pestoni and his wife Silvia, opened Rutherford Grove Winery in 1994 and resumed making the single vineyard, hand-crafted artisanal wines Bob's father and grandfather had created for more than a century before him. In 2017, in celebration of their 125th anniversary of Napa Valley winemaking, the winery was renamed Pestoni Family Estate Winery.

Mr. Pestoni was known for his warmth, generosity, and infectious smile as well as his genuine love of people and life. Mr. Pestoni was well loved by his wife of 59 years, Sylvia; his four children Andy, Greg (Aimee), Christy (Eric), and Jon (Wendy); six grandchildren Rico, Matteo, Lucia, Dominic, Ennio and Massimo; his brother Marvin (Charlene); and his best friend since the second grade, George Steinauer.

Madam Speaker, it is evident that Bob Pestoni was a pioneer and visionary in the waste industry who also made a lasting impact on his family, friends, and his community. Therefore, it is fitting and proper that we honor him here today.

CONGRATULATING THE
QUEENSBURY GIRLS' LACROSSE
TEAM ON THEIR 2022 SEASON

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. STEFANIK. Madam Speaker, I rise today to congratulate the Queensbury girls' lacrosse team on their exceptional run to the New York Class B State finals and to recognize their incredible thirty-one game winning streak.

The Spartans have dominated over the past two seasons. They went undefeated in the 2021 season and had another flawless record in the 2022 regular season. While the state finals were unfortunately canceled due to the COVID-19 pandemic last year, Queensbury was able to compete for the Class B championship this season. Queensbury was the first team from section II to compete for this title in over a decade, and this was the first state finals appearance ever for the school.

The road to the championship game for the Spartans was full of adversity, determination, and hard work. The Spartans were pushed to overtime in their semifinal game against Westhampton Beach when eighth grader Kady Duffy delivered the game-winning goal to defeat Westhampton nine to eight. Queensbury then went on to meet Victor for the Class B state championship. In this game, the Spartans got off to a rocky start and went into the half down ten to three. The team showed great resilience by coming back in the second half and holding Victor scoreless for ten minutes. However, the Spartans were ultimately unable to secure the title and eventually fell fourteen to five. Regardless of the outcome of this game, the Queensbury team showed incredible tenacity and foreshadowed what is possible for the program moving forward.

On behalf of the 21st District of New York, it is my honor to recognize the Queensbury girls' lacrosse team and congratulate them on their exceptional two-year run. We are very proud of their tremendous work and cannot wait to see all they accomplish in the years to come.

Thursday, July 7, 2022

Ms. VAN DUYNE. Madam Speaker, I rise today to recognize the achievement of two students from Texas' 24th District. Yashica Nabar and Dawson Rhodes were selected to receive the Constituting America's Best High School Short Film Award and the Best Middle School Song Award, respectfully.

Each year, Constituting America—a non-profit, non-partisan organization that educates

Yashica and Dawson were selected along with just 39 other students nationwide. These students' achievements have not only made our entire community proud, but also exemplified the creativity harbored in North Texas. I thank Yashica and Dawson for their hard work and passion. They both have a bright future ahead.

TRIBUTE IN MEMORY OF JACOB
CHAFFINS

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to one of Eastern Kentucky's fallen heroes, Jacob Russell Chaffins, a 28-year-old law enforcement officer and certified canine handler who was one of three officers killed in the line of duty in Allen, Kentucky.

Chaffins' life should not be measured by his number of years on Earth, but by the magnitude of his service and courageous action during his short lifetime. He not only earned Badge No. 533 from the Prestonsburg Police Department, but he was also a member of the Prestonsburg Fire Department, a certified EMT, and a U.S. Marshal. Chaffins was also enlisted in the U.S. Armed Forces, serving as a Combat Engineer Sergeant in the Kentucky Army National Guard's 577th Sapper Company in Prestonsburg, Kentucky. As a guardsman, Sgt. Chaffins was deployed during multiple state emergencies, including the Winter Storm Response of February 2015 and COVID-19 pandemic relief efforts in March 2020, dedicating countless hours to serve and protect the people of the Commonwealth of Kentucky. Sgt. Chaffins was awarded the Army Service Ribbon, the Army Reserve Component Achievement Medal, and the Florida Commendation Medal for meritorious achievement in Exportable Combat Training Capability. Sgt. Chaffins was also awarded the Army Achievement Medal in recognition of his excellence as a team leader in preparing and equipping troops to defend this great Nation and the values we hold dear.

President Theodore Roosevelt, who was a former commissioner of the New York City Police Department once said, "No man is worth his salt, who is not ready at all times to risk his body, to risk his well-being, to risk his life in a great cause." On Friday, July 1, 2022, Officer Chaffins paid the ultimate sacrifice after he valiantly risked his life and answered the call of duty to protect others in Floyd County.

His heroic death was the greatest display of love described in John 15:13, "Greater love

has no man than this: to lay down his life for his friends." It was with great courage of conviction that Jacob Chaffins lived to protect the people of the United States, the Commonwealth of Kentucky, and especially those in Floyd County.

In a Nation where police forces have been vilified in recent years by the actions of a few bad actors, may Officer Chaffins' life be a reminder of the outstanding integrity and sacrifice that the thin blue line represents. We must continue to support our law enforcement officers across the United States, ensuring they are fully equipped, adequately prepared, and never at the mercy of evildoers.

This Nation owes a great debt of gratitude for the life and service of Officer Jacob Chaffins. Our thoughts and prayers are with his wife Savannah, their daughter Paisley, his mother April and his siblings, as well as the widespread band of brothers and sisters in uniform who served alongside him. May his loved ones find peace and confidence in God's promise in Matthew 5:9, "Blessed are the peacemakers, for they will be called children of God."

HONORING STUART SMITH,
CHARLES SMITH, AND THE
SMITH-MADRONE WINERY

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Stuart Smith and Charles Smith, founders of the Smith-Madrone Vineyards & Winery in celebration of the winery's 50th anniversary.

The Smith-Madrone Winery was founded on May 14, 1971. Its vineyards are located on top of Spring Mountain in Napa Valley at 1,200 to 1,300 feet in elevation. The winery only produces wine from these 50-year-old local vineyards that are enriched by the county's deep red Aiken loam soil.

Smith-Madrone Winery played an integral role in the international popularization of Napa Valley wines. The winery first prompted international recognition when its 1977 Riesling was named the world's Best Riesling by wine experts in the first international Wine Olympics in Paris in 1979. Additionally, Smith-Madrone received The Daily Meal's Winery of the Year award in 2014. In 2020, the winery was chosen by the University of California, Berkeley to conduct a virtual wine tasting to attendees of the University's homecoming events.

Stuart and Charles have positively impacted the wine community through their involvement in the Napa Valley wine community. Stuart was appointed to the 2008 General Plan Steering Committee and the 1998 Napa River Watershed Task Force by the Napa County Board of Supervisors. Starting in 2006, Charles has published weekly harvest report for the St. Helena Star, until Stuart took over writing the report column in 2012. Stuart also served as chairman of the 1986 and 2005 Napa Valley Wine Auction.

Madam Speaker, it is evident that Stuart Smith and Charles Smith, through the Smith-Madrone Winery and their community involvement, have made important contributions to the Napa Valley wine community. Therefore, it

is fitting and proper that we honor them here today.

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. ESCOBAR. Madam Speaker, I rise today to recognize Monsignor Arturo José Bañuelas' life work in the Catholic Church as he retires from full-time ministry.

Monsignor Bañuelas is a native of El Paso, TX and Pecos, AZ. His 46 years of service have truly been centered in assisting the community's sick, hungry, and unemployed. During his tenure as pastor at Saint Pius X Church, the parish has received national distinction as one of the best parishes in America. He also significantly grew the parish's ministries and outreach programs in Saint Mark and assisted in the development of the new San Pedro de Jesus Maldonado Church. Monsignor Bañuelas' pastoral leadership has taken him execute missionary initiatives in Chihuahua, Mexico, Honduras, China, Cuba, and Kenya.

He is a venerated faith leader always working for the betterment of his community. He founded numerous theological initiatives such as the Tepeyac Institute, a diocesan ministry formation center, the Academy of Catholic Hispanic Theologians of the United States and the El Paso Interfaith Alliance. His work is also grounded in social justice to advocate for the neediest. He founded the Hope Border Institute—a pillar in the El Paso and Ciudad Juarez region for the immigrant rights movement.

Monsignor Bañuelas is the embodiment of a community leader devoted to the service to the people of El Paso. May he continue to live out his commitment to his faith and community in retirement.

HONORING THE LIFE AND LEGACY
OF MR. JOHN W. RYAN

HON. BARRY LOUDERMILK

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. LOUDERMILK. Madam Speaker, I rise today to honor the life and legacy of Mr. John W. Ryan, president and CEO of the Conference of State Bank Supervisors, who unexpectedly passed away on May 16, 2022.

John was a steadfast advocate of state financial supervision as the leader of CSBS, the nationwide organization of financial regulators from all 50 states, the District of Columbia and U.S. territories, for 11 years.

But John was more than just an advocate and leader. He was a rare consensus builder in Washington. While he fiercely defended the dual banking system, he tempered his passion with humility, humor, and integrity. As tributes have poured in from across the nation, it is clear that he touched many with his humility, kindness, and vast knowledge of financial regulation.

John was also a visionary. In recent years, he crafted strategies that empowered states to

retain their authority and function on a local level while working together with federal regulators as one system; he called this strategy "networked supervision."

John grew up in a banking family. He would recount summers spent working for his father, who ran the Bank of Walnut Creek in Northern California. Among his many early jobs, he often told of filing checks, and when he was old enough, driving them over the Golden Gate Bridge to the San Francisco Federal Reserve Bank. His early experience with the payments system informed his career and helped shape his idea for a more seamless system.

After graduating from the University of California, Berkeley with a degree in political science and economics, John moved to Washington, D.C., where he worked on the House Banking, Finance and Urban Affairs Committee, now the House Committee on Financial Services. While there, he worked on groundbreaking legislation, including the 1994 Riegle-Neal Interstate Banking and Branching Efficiency Act. He later took a fellowship with the financial services commission in Brussels and worked for a public policy consulting firm.

In 1997, John joined CSBS as an assistant vice president of legislative affairs. He rose through the ranks to become President and Chief Executive Officer in 2011. Throughout his career, John helped define the contributions and accountabilities of state financial regulators. He was a key contributor to protecting the states' role in financial services legislation, including the Gramm-Leach-Bliley Act, the Housing and Economic Recovery Act, the Dodd-Frank Wall Street Reform and Consumer Protection Act and the Secure and Fair Enforcement for Mortgage Licensing Act. John also played a critical role in the creation of what is now the Nationwide Multistate Licensing System.

After the financial crisis of 2008, John recognized the need for policymakers to have facts and figures about community banking when writing legislation that would impact them. He was instrumental in creating the Community Bank Research Conference with the Federal Reserve Board. The conference's research has driven more sound and appropriate regulatory policy and supervision, and, I believe, helped policymakers recognize the value of community banking when crafting laws and rules during the pandemic.

Under John's leadership, CSBS was a valued partner to Congress as we worked through a range of financial services issues. The impact of his vision and leadership is immense. Our financial system is better because of John W. Ryan's work, as are the lives of those of us whom he touched.

HONORING CURT MORGAN

HON. BETH VAN DUYNE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. VAN DUYNE. Madam Speaker, I rise to honor Curt Morgan, who is concluding his nearly six-year service as Chief Executive Officer of Vistra Corp., one of the nation's largest integrated retail electricity and power generation companies, which is headquartered in the 24th District of Texas.

When Curt took over Vistra, the company operated exclusively in Texas. Today, its operations span more than 20 states, and its businesses serve more than 4.25 million customers.

Throughout its rapid growth, Curt ensured the company took proactive steps to create a culture of inclusion, improve its spending with diverse-owned enterprises, and be a company that does business the right way.

Curt has always believed that electricity is the lifeblood of our society, and access to reliable electricity is a fundamental necessity of life. To prepare Vistra for the future, he has spearheaded the transformation of the company's fleet to meet the challenges of producing reliable, affordable electricity in a rapidly changing world.

The Vistra Zero initiative is a years-long commitment to powering America's zero-carbon, clean energy future. Under this plan, Vistra has already built the world's largest battery energy storage facility, reduced its company's carbon footprint, and initiated or completed over a dozen solar and energy storage facilities.

A native of Galesburg, Illinois, Curt never forgot the impact power plants have historically played in their host communities. He has ensured an orderly and responsible retirement process that treated workers and the local community with dignity and respect. Through his advocacy, Illinois lawmakers passed the Coal to Solar and Energy Storage Initiative, which will transform nine retiring coal-fired plant sites into renewable energy centers.

Because of Curt's vision, business acumen, and leadership, for years to come, thousands of hardworking men and women in our nation's building trades and energy industry will safely operate power plants, install miles and miles of solar panels, configure hundreds of thousands of battery modules, responsibly retire legacy plants, and reclaim thousands of acres at retired plant sites.

Despite all the regulatory, environmental, and economic changes, including the unprecedented impact of a global pandemic and weather events, thanks to Curt's management Vistra's future is as bright as ever. I want to express my appreciation and best wishes to Curt, and I hope that he will continue to guide America's energy transition in his next professional chapter and wish he and his family well.

HONORING AL WAGNER

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Al Wagner who is Napa County Farm Bureau's 2022 Agri-culturist of the Year.

Born in Queens, New York, and raised in Connecticut, Mr. Wagner grew up helping his grandparents on their family farm. He attended both the Universal Technical Institute for Automotives and Diesel Mechanics in Phoenix, Arizona, and the University of Arizona. Throughout his life, Mr. Wagner has worked as a ranch manager, an auctioneer, a wrangler, and a volunteer firefighter.

In 2015, he became the Vice President of Vineyards for Foley Family Wines. Later, he

was promoted to Senior Vice President of Foley Family Farms. Mr. Wagner oversees 61 properties and over 200 employees.

Mr. Wagner is a staunch advocate for sustainable farming practices. He has received awards for his work in the Salinas Resource Conservation District and served as a member of the Napa Sustainable Winegrowing Group for years. Mr. Wagner served as the director of the Napa Valley Expo Board for nine years, during which he pushed the board to approve the use of Merlot Hall as a winter homeless shelter. He worked closely with the Napa County Health and Human Services to ensure the proposal was approved. Mr. Wagner was also instrumental in bringing the BottleRock Napa Valley festival to Napa County.

A loving husband, father, and grandfather, Mr. Wagner now lives in Sutter County with his family on a small farm. He still makes the commute to Napa and Sonoma counties several times a week to oversee his vineyards.

Madam Speaker, there is no doubt that Al Wagner is an exemplary member of our community. Therefore, it is fitting and proper that we honor him here today.

HONORING THE 30TH ANNIVERSARY OF THE VETERANS CONSORTIUM

HON. DEBBIE WASSERMAN SCHULTZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. WASSERMAN SCHULTZ. Madam Speaker, I rise today to commemorate the 30th anniversary of The Veterans Consortium, a nonprofit organization providing pro bono services to our nation's veterans with cases pending before the U.S. Court of Appeals for Veterans Claims (CAVC).

The Veterans Consortium was established after the first Chief Judge of the Court of Appeals for Veterans Claims encouraged Congress to create a program to provide veterans with suitable legal representation before the Court—and help them receive every dollar in benefits they are entitled to.

A competitive grant was awarded to The Veterans Consortium for the formation of a legal services corporation to carry out Congress's wishes. Although today it is an independent nonprofit, The Veterans Consortium's founding members are four hallmark veterans advocacy organizations: The American Legion, Disabled American Veterans, National Veterans Legal Services Program, and Paralyzed Veterans of America.

Over the past 3 decades, The Veterans Consortium has become one of the most prominent organizations providing pro bono services for veterans' claims, with almost 6,000 volunteer attorneys having delivered over \$400 million in rightful benefits, care, and compensation to American veterans. They did so by astoundingly winning over 83 percent of their appeals cases.

While this number demonstrates the effectiveness of the Consortium, it also underscores significant room for improvement in the Department of Veterans Affairs benefits determination process. That's what makes the work of The Veterans Consortium so important.

As Chair of the Military Construction and Veterans Affairs Appropriations subcommittee,

I have the distinct honor and responsibility of leading the only committee in Congress that cares for our servicemembers through their entire lifecycle: both during and after their service.

I'm proud to work with our VSOs to ensure those who have risked their lives for this Nation are supported throughout their transition to civilian life and are able to age with dignity. A critical component of that work is ensuring the Veterans Benefits Administration is adequately funded and that our veterans receive the benefits they need and are entitled to.

We know the benefits and claims process is in dire need of reform, and it has been for years now. That is why I will continue working with VA Secretary McDonough to improve upon the existing system, and by conducting rigorous oversight of all VA agencies to ensure they are spending the money we provide effectively.

Congress can honor our veterans—and the decades of committed work of The Veterans Consortium—by legislating and using the power of the purse to make sure the benefits and claims process is working for those who served their country. For all that veterans sacrifice for this Nation, the least we can do is ensure they receive the benefits they were promised and deserve.

Congratulations to the Veterans Consortium and the TVC National Volunteer Corps on 30 impactful years, and I thank them for all the critically important work they do.

CONGRATULATING THE GREENWICH WITCHES ON A VICTORY AT THE CLASS C STATE SOFTBALL CHAMPIONSHIP

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. STEFANIK. Madam Speaker, I rise today to congratulate the Greenwich High School softball team on an extraordinary season culminating in a win at the state championship game.

The Greenwich Witches won the state championship softball game at Moriches Athletic Complex over the Greene Trojans, by a score of four to one. Led by Coach Bill Curley, the Greenwich Witches rose to the challenge during their final game and, after an amazing comeback, the team pushed the game into an extra inning. Trailing by one run in the fourth inning, the Witches responded with a run of their own during the sixth inning and tied the game. In the top of the eighth inning, the Witches scored three more runs and sealed their state championship victory.

After a hard-fought semifinal game earlier in the day, the Greenwich Witches' perseverance ultimately allowed them to succeed in the final. They won the state championship thanks to the hard work and dedication of the entire team. Pitcher Lily McCauliffe helped carry the team to victory with nine strikeouts during the championship game and eleven in the previous semifinal game. In the championship game, the Greenwich Witches began their comeback with a critical double hit by Reese Autiello. Additionally, Faith Ingber and Kiley Allen scored significant runs that carried the Witches to victory. Their perseverance and determination are truly inspirational and worthy

of celebration. I am confident that the Greenwich High School softball team will continue to be a competitive force for many years to come.

On behalf of New York's 21st District, I would like to congratulate the Greenwich Witches on their incredible 2022 season culminating in a state championship win. We are very proud of their hard work and dedication throughout this year.

HONORING BLOUNT MEMORIAL HOSPITAL'S 75TH ANNIVERSARY

HON. TIM BURCHETT

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. BURCHETT. Madam Speaker, I rise to celebrate the 75th anniversary of Blount Memorial Hospital.

Blount Memorial Hospital first opened its doors on July 24, 1947, thanks to members of the community who worked together to make it a reality. They named the hospital in honor of the brave Blount County citizens who served our country, those who died or went missing in the line of duty, and those who continue to serve today.

For over seven decades, Blount Memorial Hospital grew and expanded its ability to provide care to East Tennesseans. In 2019, the hospital joined the Mayo Clinic network and gained access to research, diagnostic, and treatment resources that allow Blount Memorial to provide better care to every patient that walks through its doors.

Today, Blount Memorial Hospital is nationally recognized for its heart attack and stroke care, and currently has fifteen facilities in two counties that treat hundreds of thousands of patients each year. Residents of Blount County also benefit economically from the hospital's presence, since Blount Memorial Hospital contributes roughly 15 to 20 percent of the county's economy, employs over 2,500 local citizens, and has—over the past 10 years—provided over \$400 million in charity and uncompensated care for folks in our community.

For 75 years, Blount Memorial Hospital and its employees have valiantly served the citizens of Blount County while forging lasting relationships with the community. It is my honor to recognize them on this historic anniversary.

HONORING THE HABEMATOLEL POMO TRIBE

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor the Habematolel Pomo of Upper Lake Tribe on the 10th anniversary of the opening of their Running Creek Casino in Lake County, California.

The people of the Habematolel Pomo Tribe have ancient origins in Lake County. Following the arrival of Europeans, the Pomo were the targets of repeated efforts of genocide, either through systemic violence or forced assimilation. Fortunately, these efforts were unsuccessful,

and after a 1983 federal court case granted the Habematolel Pomo federal recognition and a portion of land in Upper Lake, the Tribe began a campaign of economic sustainability that continues today.

The federal recognition of the Habematolel Pomo brought great opportunity to Lake County. Setting out to build a casino, the tribe worked with Lake County and regional officials, along with the community at-large, to create a series of Memorandums of Understanding that would guarantee the tribe's contributions to the County for years to come. This exciting opportunity came at a time when Lake County had the highest unemployment rate in all of California.

Since the opening of Running Creek Casino in May of 2012, the people of Habematolel Pomo Tribe have accelerated steady economic growth in Lake County. The Casino created 140 new jobs, provided the County over \$378,000 to improve the Lake County Sanitation District's wastewater system, contributed a one-time donation of \$636,000 to the Northshore Fire Protection District for fire and safety mitigation, and granted \$130,000 for field lighting at a local high school.

Beyond its monetary contributions to local government, the people of the Habematolel Pomo Tribe serve dutifully on local institutions, such as the Northshore Business Association, the Lake County Chamber of Commerce, and the Lake County Tribal Health Consortium.

Madam Speaker, it is evident that the Habematolel Pomo of Upper Lake and its people have tirelessly served the people and land of Lake County. Therefore, it is fitting and proper that we honor the tribe and its members here today.

TRIBUTE IN MEMORY OF RALPH FRASURE

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to one of Eastern Kentucky's fallen heroes, Ralph Harlow Frasure, a 39-year law enforcement veteran who was one of three officers killed in the line of duty in Allen, Kentucky. Frasure was Captain of the Prestonsburg City Police Department for nearly four decades and a beloved School Resource Officer at Prestonsburg High School.

The best law enforcement officers will tell you it isn't a job, it's a calling; and it was with great courage of conviction that Captain Frasure lived to protect the people of Prestonsburg and all of Floyd County.

President Theodore Roosevelt, who was a former commissioner of the New York City Police Department once said, "No man is worth his salt, who is not ready at all times to risk his body, to risk his well-being, to risk his life in a great cause." On Thursday, June 30, 2022, Captain Frasure paid the ultimate sacrifice as he valiantly answered the call of duty to protect others in Floyd County.

His heroic death was the greatest display of love described in John 15:13, "Greater love has no man than this: to lay down his life for his friends."

In a Nation where police forces have been vilified in recent years by the actions of a few bad actors, may Captain Frasure's life be a reminder of the outstanding integrity and sacrifice that the thin blue line represents. We must continue to support our law enforcement officers across the United States, ensuring they are fully equipped, adequately prepared, and never at the mercy of evildoers.

The Commonwealth of Kentucky owes a great debt of gratitude for the life and service of Captain Ralph Frasure. Our thoughts and prayers are with his wife Clearnce, their sons Ralph Kelly Frasure and Robert Clarence Frasure, daughter Stacy (Mike), their grandchildren, and the widespread band of brothers and sisters in uniform who served alongside Captain Frasure throughout his career. May his loved ones find peace and confidence in God's promise in Matthew 5:9, "Blessed are the peacemakers, for they will be called children of God."

RECOGNIZING KENNEDY ANDERSON

HON. LAUREN UNDERWOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. UNDERWOOD. Madam Speaker, I rise to recognize Kennedy Anderson for her service to my office.

Kennedy joined our team as our D.C. staff assistant in July 2021, and quickly proved herself indispensable to our organization. In February of this year, she took on additional responsibility with my communications team and was promoted to staff assistant/press and digital assistant. Kennedy embodies our office's values of excellence, kindness, service, responsiveness, productivity, and accessibility. Kennedy's role is demanding and involves serving not only our staff, but also our broader community, as well as managing our paid internship program. On top of this workload, she always finds time to connect with each colleague, mentor each intern, and identify opportunities to improve our office's operations and constituent communication.

In her management of the internship program, she often went above and beyond, providing additional skills training, life advice, and job seeking support to talented young people with ambitions for public service. She worked with our Chief of Staff to improve recruitment of interns from underrepresented backgrounds. Kennedy unfailingly treats all who interact with my office with respect and enthusiasm and is among those special people whose positive energy illuminates a room—even a Zoom room. During our office's celebration of Black History Month, she shared

daily presentations of her family's experiences facing and rising above discrimination in the Jim Crow South and pioneering their way to success in professions where Black Americans are under represented. She also took a leadership role in supporting diversity, equity, and inclusion in our office by bringing educational programming to our staff meetings.

We will miss the joy and creativity Kennedy brings to our office, the sweet potato pie she brought to our office holiday party, and her being the one staff member who truly commits to the theme on celebratory Zoom gatherings—sometimes even through costume. Prior to joining my staff, Kennedy earned a Bachelor's degree from Converse University in Spartanburg, South Carolina.

We are incredibly proud of Kennedy's professional growth in the time she has been with our office and wish her the best in her next opportunities. Although Kennedy may be leaving our office, our community in northern Illinois and my entire staff will always consider her as part of Team Underwood. Madam Speaker, I would like to formally thank Kennedy Anderson for her service to my office, to Illinois' 14th Congressional District, and to our country.

HONORING OLE HEALTH

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor OLE Health, the only nonprofit health center in Napa County, in celebration of its 50 years of outstanding service in California's Fifth Congressional District.

Since its founding in 1972, OLE Health has provided quality and affordable healthcare in the Napa Valley regardless of patients' health insurance coverage, immigration status, or financial resources. OLE Health provides an array of services, including medical, dental, behavioral health, pharmacy, nutrition, optometry, care coordination, and referrals.

OLE Health serves the most vulnerable members of our community. Most of OLE Health's patients live at or below 200 percent of the federal poverty line, and OLE Health's dedicated team of healthcare professionals consistently provide vital healthcare to those experiencing homelessness in our community. OLE Health is also the only fully bilingual healthcare center that offers all services in Spanish and English. Over the last 50 years, OLE Health has built healthcare centers in Napa, St. Helena, Calistoga, and most recently, Fairfield-Suisun. Today, the OLE Health team provides care to 25 percent of Napa County residents and treats 40,000 patients every year.

On top of offering a wide variety of accessible and quality healthcare services, OLE Health also holds monthly food distributions in Napa and Calistoga that provide fresh produce and healthy foods to 300 families each month. OLE Health also offers enrollment services that connect anyone in our community with suitable healthcare coverage plans and help eligible individuals apply for CalFresh or other assistance programs. Additionally, since the beginning of the COVID-19 pandemic, OLE Health has distributed over 60,000 vaccine

doses, offering even more life-saving care to the community.

Madam Speaker, it is evident that OLE Health has been a critical establishment in our community, providing vital and accessible services for so many in our district. Therefore, it is fitting and proper that we honor the organization and its staff here today.

RECOGNIZING THE MISSION OF SHRIMAD RAJCHANDRA LOVE AND CARE USA TO SERVE COM- MUNITIES IN NEED ACROSS THE WORLD

HON. RAJA KRISHNAMOORTHY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. KRISHNAMOORTHY. Madam Speaker, today I rise to recognize the global mission of Shrimad Rajchandra Love and Care (SRLC) USA and the selfless Americans who serve communities in need across the world.

Led by thousands of highly motivated volunteers, SRLC is a global initiative that endeavors to meet the needs of the underprivileged through multi-pronged community support and development programs and other forms of educational, medical, and humanitarian care. Since its founding in 2003, SRLC has carried

out its noble mission in big cities and small towns all over the world. With over 5,000 volunteers—most of whom carry distinguished expertise in medicine, engineering, and finance, and are active initiatives in over 50 cities worldwide—SRLC's mission to reduce human suffering is global and far-reaching.

Importantly, SRLC offers individuals a safe haven in the face of armed conflict, relief from climate-related disasters, and access to medical care and other critical resources to battle the COVID-19 pandemic. In this effort, SRLC volunteers serve on the front lines of recovery efforts, rising to the challenges associated with providing emergency shelter to families impacted by devastating floods, tornadoes, fires, and other disasters. But don't just take my word for it; the data speaks for itself. According to recent estimates, SRLC has assisted more than 1.45 million patients in rural areas receive access to medical care to improve both physical and mental wellness in underserved communities. The organization has also impacted the lives of 1.47 million school children through educational initiatives that, for example, teach literacy and financial independence. In addition, SRLC has helped 2.34 million people through its humanitarian initiatives to combat homelessness, food insecurity, and economic disparity.

It is for this reason that SRLC now enjoys Special Consultative Status with the United Nations Economic and Social Council, a position it has held since 2020.

Throughout our history, Americans have always stepped up for one another in times of crisis. The obligation to be there for our fellow citizens is woven into the very fabric of our nation. For almost 20 years, this spirit of selflessness has been exemplified by Shrimad Rajchandra Love and Care (SRLC) USA and its devoted team of volunteers. It is my privilege to honor the important mission of SRLC and encourage all Americans to renew our collective commitment to lend a helping hand to those most in need.

REMEMBERING THE IMPACT OF NORTH COUNTRY AGRICUL- TURAL LEADER BOB RULFS

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. STEFANIK. Madam Speaker, I rise today to honor and remember the incredible life and impact of Bob Rulfs. Mr. Rulfs was the founder of Rulfs Orchard in Peru, New York, a family-owned and operated orchard, bakery, cafe, and roadside farm stand.

Mr. Rulfs always dreamed of owning his own dairy farm when he was growing up. This dream was realized in 1952 when he purchased a farm in Peru, New York. The farm's humble beginnings consisted of four milk cows, twelve acres of apple trees, and Mr. Rulfs selling his apples out of a wagon on his front lawn. Over the years, Rulfs Orchard has expanded and now includes over fifty acres of corn, forty acres of apples, a thirty-acre pumpkin patch, and much more. The orchard has become a cornerstone of the Peru community. Mr. Rulfs worked on the orchard for seventy years and was always happy to greet and talk with everyone that stepped into the shop. His

positive impact was apparent to everyone who had the pleasure of stepping into Rulfs Orchard, and he will be dearly missed by the North Country community.

Mr. Rulfs is a glowing example of everything that is good about farming, family, and the North Country. He loved his community and lovingly referred to the North Country as "God's Country." His legacy will live on in the hearts of everyone who had the pleasure of knowing him. On behalf of New York's 21st Congressional District, it is my honor to remember and celebrate the life of Bob Rulfs.

HON. CHRIS PAPPAS

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. PAPPAS. Madam Speaker, I rise today to celebrate the Raymond Town Fair. As the summer months heat up and the nights grow later, town fairs and festivals take on special importance not only as opportunities to gather with friends but meet new members of the community and celebrate the history of this town. Raymond encapsulates some of the Granite State's best qualities, and tonight's celebration serves as a shining example of what this town has to offer the state of New Hampshire.

From the fireman's parade and morning pancake breakfast to the annual pageants that kick off the fair, Raymond has enshrined its sense of community with timeless traditions and open arms to all who are joining for the first time. HONORING THE COPE FAMILY CENTER

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor the Cope Family Center for its 50 years of remarkable family support and child abuse prevention services in California's Fifth Congressional District.

Fifty years ago, a child in the City of Napa tragically died due to child-abuse-related causes. Concerned parents in the city took action and established the Cope Family Center to prevent similar events from happening in the future. They envisioned a future where all children could live in happy, healthy homes, and live to reach the bright future they deserved. For the past half a century, that vision

has guided the Cope Family Center as they continue to serve children and families across Napa.

Though much has changed since its founding in 1972, the Cope Family Center is still working hard to protect children. It has served over 82,000 parents and caregivers in Napa County with support services to prevent adverse childhood experiences and build resilience so they can raise children who thrive. It provides strength-based parent education, home visiting, and basic needs support to parents struggling with stress. The center also provides services that encourage healthy family relationships, enhance childhood development, and build strong community connections.

The Cope Family Center has widened its services to also address community needs in times of disaster, such as wildfires and the COVID-19 pandemic. Now a two-million-dollar organization with 24 staff members, the center has the power to advocate for positive change to systemic issues affecting children and families in our district. The Cope Family Center is a member and the financial lead of the Community Leaders Coalition, which works to build a vibrant community and respond to policy that may cause concern in the community.

Madam Speaker, it is evident that the Cope Family Center has been an instrumental institution through its work to improve the lives of countless families in our district. Therefore, it is fitting and proper that we honor the organization and its staff here today.

CELEBRATING THE 50TH ANNIVERSARY OF THE MCHENRY MUSEUM & HISTORICAL SOCIETY

HON. JOSH HARDER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. HARDER of California. Madam Speaker, I rise today to celebrate the 50th anniversary of the McHenry Museum & Historical Society. Through its work over the last five decades, the McHenry Museum & Historical Society has served as a center for cultural enrichment, learning, and inspiration for our community in the Central Valley.

Located in the heart of downtown Modesto, the McHenry Museum welcomes thousands of visitors annually and works to preserve our local history. It's the continuation of a long tradition of public servants and committed community members working together to make sure that our community has a place to gather and celebrate its history. Modesto's first museum was opened in 1968 by the Citizens' Cultural Committee. By 1971, The City of Modesto recognized the success these efforts to chronicle early Modesto. It was then, that the vacated McHenry Public Library building converted into the McHenry Museum and Art Center.

The Museum was dedicated on July 4, 1972, when it took residence in the McHenry Public Library. One room became the changing exhibit room, another to display historic paintings, and the third was devoted to "permanent" displays. The auditorium was also part of the museum and was used for a variety of events from musical presentations to city council meetings.

To this day, the McHenry Museum & Historical Society continues to preserve our history and uplift the arts in a way that inspires our community. I thank the McHenry Museum & Historical Society volunteers, employees, generous donors, Board of Directors, Committee members, and public servants who give their time and energy to ensure that this incredible landmark will be around for decades to come.

She has been a leader in the private sector, and currently serves as the President of her beloved alma mater, Tennessee State University, since 2013. Dr. Glover is not just the President either: she was the Thurgood Marshall College Fund's HBCU President of the Year in 2018, and HBCU Digest's 2019 Female President of the Year.

Dr. Glover did all of that while maintaining a leadership role in Alpha Kappa Alpha Sorority, Incorporated. HONORING THE LIFE AND LEGACY
OF DR. MAY EDWARD CHINN

HON. ADRIANO ESPAILLAT

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. ESPAILLAT. Madam Speaker, I rise on behalf of the 13th Congressional District of New York in the U.S. House of Representatives to honor and reflect on the life and legacy of Dr. May Edward Chinn, an American woman physician of Black and Chickahominy

descent. It is an honor to highlight this remarkable story of dedication and fortitude in the field of early cervical cancer detection research.

After becoming the first Black woman to graduate from Bellevue Hospital Medical College in 1926, now known as New York University Grossman School of Medicine, May E. Chinn was the first Black woman to complete an internship at Harlem Hospital in 1928. Because of segregation, hospitals in New York did not grant hospital privileges to female physicians of color. Dr. Chinn worked with other doctors in Harlem at a private practice, Edgecombe Sanitarium, for patients of color. She often rode in ambulances saving injured patients' lives before they reached a hospital. Denied the ability to use hospital equipment, Dr. Chinn performed surgeries in patients' homes.

In 1933, she entered Columbia University's School of Public Health where she earned a Master of Science degree. Her studies there connected her to medical researcher Dr. George Papanicolaou. May Chinn contributed to Dr. Papanicolaou's research in developing cytological methods for the study of cancer. Those studies culminated in the test known worldwide as the Pap Test.

In 1940, Mayor Fiorello La Guardia declared that Harlem Hospital must grant Dr. Chinn hospital privileges. Due to Dr. Chinn's expertise in cancer, she was hired at the Strang Cancer Clinic by founder Dr. Elise Strang in 1944 and worked there until 1974 while maintaining her private practice. She worked as a clinician with the Department of Health Day Care Centers from 1960 to 1977. She never married, but she offered advice and support to her 19 Godchildren.

May E. Chinn was the daughter of William Lafayette Chinn of African American & Caucasian descent and Lulu Ann Evans Chinn of African American & Chickahominy descent. May's mother worked as a cook and housekeeper, saved money, and encouraged May to continue with her studies. May went to the Bordentown Manual and Training Industrial School, a boarding school in New Jersey and spent one year (1901–1902) of her childhood on the estate of Charles Tiffany, the jewelry magnate, where her mother was a live-in cook. The Tiffany's treated Chinn like family and took her to classical music concerts in New York City. She later learned to play the piano and became an accompanist to popular singer Paul Robeson in the early 1920s. Chinn played classical and gospel music throughout her life and performed for African American soldiers during World War I.

For her work in cancer detection, Dr. May Edward Chinn was awarded membership into the New York Academy of Sciences in 1954, was referenced by the New York City Cancer Committee of the American Cancer Society in 1957 and was awarded an honorary doctorate by Columbia University in 1980. She also helped found the Susan Smith McKinney Steward Medical Society in 1975 to help Black women attend medical school. In her honor, the New York Metropolitan Coordinating Council of Delta Sigma Theta Sorority, Inc. established the Dr. May Edward Chinn Scholarship awarded to women furthering their education in science. For over 50 years, Dr. May E. Chinn served the residents of Harlem.

Dr. May Edward Chinn provided a road map for helping others. In her unpublished autobiography, she wrote, "Become involved with the problems of your Nation, your State, your city and especially your immediate neighborhood. Help those with problems—help them to take the next step UPWARDS."

An unsung pioneer, May Edward Chinn, Black female physician, improved the lives of thousands by providing the best health care for 53 years. Dr. Chinn's brilliance and perseverance inspires us all.

Thursday, July 7, 2022

Ms. VAN DUYNE. Madam Speaker, I rise today to honor John B. Billingsley, Jr., Founder, Chairman and CEO of Tri Global Energy, headquartered in the 24th Congressional District, which I proudly represent. John has been widely recognized as a pioneer and industry leader for his vision and contributions to the development of renewable energy in Texas and the U.S., including by D CEO Magazine.

TRIBUTE IN MEMORY OF WILLIAM PETRY

HON. HAROLD ROGERS

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. ROGERS of Kentucky. Madam Speaker, I rise today to pay tribute to one of Eastern Kentucky's fallen heroes, William Edward Petry, a 31-year law enforcement veteran who was 1 of 3 officers killed in the line of duty in Allen, Kentucky.

Petry served 14 years with the Prestonsburg Police Department and 15 years with Kentucky State Police, earning the prestigious Post 9 Trooper of the Year Award. Not long after his retirement, Petry was eager to continue his lifelong passion to serve and protect his community, leading him to the Floyd County Sheriff's Office where he dedicated his final two years of service. The best law enforcement officers will tell you that it isn't a job, it's a calling; and it was with great courage of conviction that Deputy Petry lived to protect the people of the Commonwealth of Kentucky, and especially those in Floyd County.

President Theodore Roosevelt, who was a former commissioner of the New York City Police Department once said, "No man is worth his salt, who is not ready at all times to risk his body, to risk his well-being, to risk his life in a great cause." On Thursday, June 30, 2022, Deputy Petry was the first officer to pay the ultimate sacrifice as he valiantly answered the call of duty to protect others in Floyd County.

His heroic death was the greatest display of love described in John 15:13, "Greater love has no man than this: to lay down his life for his friends."

In a Nation where police forces have been vilified in recent years by the actions of a few bad actors, may Deputy Petry's life be a reminder of the outstanding integrity and sacrifice that the thin blue line represents. We must continue to support our law enforcement officers across the United States, ensuring they are fully equipped, adequately prepared, and never at the mercy of evildoers.

Petry's entire life was dedicated to serving others, and not only with a police badge. He was also the current Fire Chief for the Martin Fire Department, a member of John W. Hall Mason Lodge No. 950 where he was Past Master, and a member of the Oleika Shriners Temple in Lexington, Kentucky.

The Commonwealth of Kentucky owes a great debt of gratitude for the life and service of Deputy William Petry. Our thoughts and prayers are with his wife Sherry, their son Chase, daughter Courtney (Shane), their grandchildren, and the widespread band of brothers and sisters in uniform who served alongside Deputy Petry throughout his career.

CONGRATULATING SCHUYLERVILLE BASEBALL ON THEIR STATE FINALS RUN

HON. ELISE M. STEFANIK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Ms. STEFANIK. Madam Speaker, I rise today to congratulate Schuylerville baseball on their excellent season culminating in a New York state championship game. This was the second consecutive state finals appearance by the Dark Horses after the last two seasons were canceled due to the COVID-19 pandemic.

The Schuylerville Dark Horses showed great resilience and determination throughout their state finals run. They started the year with six early losses but turned their season around and won nine consecutive games on their way to the finals. In the semifinals, the Dark Horses found themselves down two to nothing

in the second inning. They fought hard and climbed their way back to victory over Maine-Endwell High School. In this game, senior pitcher Ryan Dow gave up only seven hits, struck out five batters, and drove in a run in the fourth inning.

In the state championship game against Spackenkill, Schuylerville again found themselves in a position where they needed to fight their way back, trailing four to one in the middle of the game. The Schuylerville team, as they have done all season long, showed great resilience by tying the game up in the fifth and holding on to force extra innings. Carson Patrick, a Schuylerville senior, contributed to this comeback with a triple that drove in two runs. Though they eventually fell six to four in the eighth inning, this Schuylerville team fought to the very end.

On behalf of New York's 21st District, it is my honor to recognize the great accomplishments of the Schuylerville baseball team. We are very proud of the Dark Horses for their hard work and dedication, and we can't wait to see what they accomplish in the future.

HONORING PAUL SWEIGERT, M.D.

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 7, 2022

Mr. THOMPSON of California. Madam Speaker, I rise today to honor Paul Sweigert, M.D. in celebration of his outstanding medical career in Napa County.

Dr. Sweigert was born and raised in Sacramento, California, and graduated from Jesuit High School in Carmichael. He received a bachelor's degree in physical therapy in 1981 from California State University, Fresno. He then graduated from Dartmouth Medical School in 1990 with a Doctor of Medicine.

Dr. Sweigert began his medical career at the Providence Medical Center in Portland, Oregon, studying internal medicine from 1990 to 1993. He then moved to Bath, Maine, to practice as a primary care physician. In 1997, Dr. Sweigert moved to Napa, where he joined the medical staff of the Queen of the Valley Medical Center. While working at the Queen of the Valley Medical Center, he also took over the practice of Dr. Alvin Lee Block in 1998 and launched Red Bike Medicine as a solo practitioner in 2014. He is revered in Napa County for his excellent medical care, hard work, and kind nature.

Dr. Sweigert has been a devoted member of the Napa Solano Medical Society (NSMS) and the California Medical Association (CMA) for 25 years. He was a CMA delegate from 2006 to 2012, NSMS president from 2007 to 2008, and a hospital representative to CMA's Organized Medical Staff Section from 2009 to 2013. On May 2, 2022, Dr. Sweigert received the Napa Solano Medical Society Professor Emeritus award in appreciation of his long and illustrious career as a physician, teacher, and friend.

In his free time, Dr. Sweigert enjoys traveling, gardening, bicycling, serving his community, and spending time with his family. Dr. Sweigert has held numerous community-related roles, including being a local soccer coach, a Board of Trustees member for Justin Sienna High School, and a member of the

Honoring Choices Napa Valley steering committee. Dr. Sweigert and his wife, Patricia, have two children, Kelsey and Eric. Following his retirement in 2022, Dr. Sweigert will move

to Bozeman, Montana, to be a full-time grandfather.

Madam Speaker, it is evident that Dr. Paul Sweigert has dedicated his life to the people

of Napa through his medical career. Therefore, it is fitting and proper that we honor him here today.
